- Sports and athletic facilities
- Sports and athletic opportunities
- Clubs and student organizations opportunities

Cave Creek Unified School District strives to offer a broad range of pathways to our students. The following questions are focused on academic pathways awareness and opportunities we offer at Cactus Shadows High School (CSHS). In an attempt to stay current with students' interests, we ask that you complete this portion of the survey.

Q11: How interested are you in the following academic pathways? Choices are: highly interested, interested, low interest, and no interest.

- Advanced Placement classes - successful completion of the coursework and appropriate score on the AP exam may earn college credit
- Dual Enrollment classes - students are able to earn college and high school credit simultaneously through courses that are clearly mapped out to both in state and out of state colleges
- International Baccalaureate Diploma Program - a rigorous 2-year course of study for juniors and seniors. It is taught from a global perspective with an emphasis upon critical thinking, independent thinking and community involvement.
- Seal of Biliteracy - Arizona recognizes students who attain a high level of proficiency in one or more languages in addition to English. Students must meet grade requirements as well as demonstrate proficiency on state approved tests. CCUSD recognizes a higher-level Seal of Biliteracy that requires higher scores on the state approved tests.
- Arts Seal of Proficiency - Arizona recognizes students who attain a high level of proficiency in the visual and/or performing arts. Students must meet course and grade requirements while completing an independent project including a public performance or display.
- Honors - Honors classes are more rigorous, in-depth classes designed for students who want and can handle a challenge. These classes provide a more challenging program with a focus on critical thinking. Students may register for honors classes each year through the regular registration process. Students may be required to complete Honors/AP/IB courses.

Q12: What other academic pathways are you interested in? (Scholastic diploma, STEM diploma, etc)

Cave Creek Unified School District strives to offer a broad range of classes to our students. The following questions are focused on Career and Technical Education awareness and potential opportunities we offer our students at Cactus Shadows High School (CSHS) and through our partnership with the East Valley Institute of Technology (EVIT). In an attempt to stay current with students' interests, we ask that you complete this portion of the survey.

Q13: Are you aware that students who take full years of a CTE program (known as “completers”) can test for a certificate of Technical Skills AND are eligible to complete a school district paid Industry Recognized credential that has employment value? Yes or No

Q14: Are you aware that some Career and Technical Education Programs allow you to earn college credit while in high school? Yes or No

Q15: Are you aware additional career and technical classes are available for CSHS junior students, tuition free, at both CSHS and EVIT? Yes or No

Q16: Please indicate your level of interest for the following CTE fields of study. Choices are: highly interested, interested, somewhat interested, and not interested

- Engineering/Robotics
- Construction technologies
- Banking and Financial Services
- Healthcare Services (Nursing, Medical Assistant)
- Networking/Cyber Security
- Software App and Design
- Business
- Marketing
- Law and Public Safety
- Culinary Arts and Hospitality
- Education Professions
- Graphic/Web Design
- Film and TV Video Production
- Welding
- Sports Medicine
- Digital Communications (yearbook, literary magazine, newspaper)

Q17: If your area of interest was not listed, please indicate below.

Q18: Think of the best teachers you have had. What are the qualities that made them great teachers?

Q19: What do you think are the most important issues that need to be addressed in your school?
