

CACTUS SHADOWS HIGH SCHOOL REGISTRATION

As course registration approaches, CSHS aims to offer valuable tips on how you can support your child during this critical process. Through effective collaboration, we can create a nurturing atmosphere that fosters your child's success. Below, you'll find the registration schedule along with a few recommended strategies to keep in mind.

TIPS

Take the time to review the course catalog together with your student, which can be accessed through the CSHS website.

Consider enrolling in the most demanding courses that align with your student's strengths, such as AP, dual enrollment, or IB courses.

Check with your current teacher for recommendations for next year's placement.

Note: Once selections have been submitted courses are final and there are no schedule changes.
